

Mailbox and Acknowledgement Record: CP1448

Earned Settlement

Redaction-safe record of automated acknowledgements and mailbox notices received through government and parliamentary contact routes.

Notices included

- Home Affairs Committee acknowledgement of receipt.
- Cabinet Office mailbox notice stating that a mailbox was no longer monitored.
- Public Enquiries notices explaining response times and mailbox closure / archiving arrangements.
- Earned Settlement Consultation mailbox notices explaining the consultation deadline and access / technical issue route.

Archive significance

The notices provide procedural context. They show how submissions and follow-up communications were routed through public-facing channels, and how some routes became limited once the consultation period closed.
