

SWJA Submission and Transmission Record: CP1448 Earned Settlement

Redaction-safe record of SWJA submission activity and transmission of supporting materials during the CP1448 consultation period.

Records included

- Online consultation response recorded on 11 February 2026.
- Written evidence and supporting materials sent to Home Office consultation and public enquiry channels on 12 February 2026.
- Further supplementary submissions and requests for named contact / administrative record handling.
- Consolidated written submission and evidence bundle transmitted on 27 February 2026.

Archive significance

The submission record preserves the procedural chronology of SWJA's evidence formation and communication with official channels. It supports the archive's treatment of transitional arrangements, legal certainty and administrative coherence as issues raised before and after the consultation deadline.
